

What is SDMyLife Network?

SDMyLife Network allows you to continue your career exploration by interacting with career coaches and companies. These are real people and companies in South Dakota.

How do I start?

Search for a career or choose a career from your Career Matchmaker results! From there, you can look at related companies or get advice by asking a career coach your questions.

What is a Career Coach?

A career coach is a real person who can answer your career related questions on a discussion board.

What are Work-based Learning Experiences (WLE)?

Work-based Learning Experiences are programs like job shadowing, summer internships and career fairs that you can participate in offered by volunteers and companies in your area.

Background Experiences

Company Details

Children's Care believes that all children deserve to reach their greatest potential. That's why we offer a broad continuum of healthcare and educational services for children from birth through age 21. Our system of services offers children and their families the ease to move through or in and out of our programs, always maintaining consistent, quality care.

From mild learning, behavioral, or physical challenges to intensive medical rehabilitation, Children's Care knows kids. Our staff of approximately 480 includes physicians; nurses; physical, occupational, and speech therapists; teachers; psychologists; a dietitian; and more - all specializing in the special needs of children. Our interdisciplinary approach means all of the child's needs are considered and treated in a coordinated effort.

What We're Looking For

Working at Children's Care may not be the easiest job you'll ever have, but you'll have the opportunity to work alongside the best in the field, helping children diagnosed, as well as rehabilitation patients. You'll be well-trained to opportunity to advance in your career. Explore this site to learn more for us is the right step for you.
