

MY DREAM. MY PLAN. MY FUTURE.

FIGURING YOUR LIFE OUT. MAKING GOOD DECISIONS.

Graduation is coming up. Don't freak out. You've got loads of resources at your fingertips and a road map all set up for you. You just have to add your own dreams, and you'll be off to the races.

1 KNOW WHAT YOU NEED TO DO.

Credit Requirements?
University or Tech School? Work-Based Experience?

Before Step 1,
Talk to Your School Counselor.

2 UNDERSTAND YOUR OPTIONS.

Assessed Interests? Assessed Aptitude? Assessed Skills?
Compared Schools? Built Your Personal Learning Plan?
Taking the Right High School Classes?

3 MAKE A CHOICE.

Made Post-Graduation Plans? Picked Out Possible Career Options?
Narrowed Down School Options?

4 FOLLOW THROUGH.

Set Career and Life Goals?
Applied for College and Financial Aid?
Learned to Navigate a Job Search?

5 BELIEVE IN YOURSELF.

The facts speak for themselves.
Feel good about your decision.

It's Time to Hit the Road. Enjoy the Trip.
